**SOZO
FIRM**

Presenting your best image goes a long way toward attracting the attention of your potential clients and beginning long term relationships. At Sozo Firm, we're committed to helping you reach out to your audience through professional HD video, photography and radio advertisement production services.

HI-DEF VIDEOGRAPHY

We offer professional HD video services for the following:

- + corporate videos
- + web commercials
- + documentaries
- + video ads
- + infomercials
- + YouTube promotions
- + TV commercials
- + product demonstrations

For companies with complex video requirements, we partner with several video producers who can handle virtually any digital project you throw at them.

COMMERCIAL PHOTOGRAPHY

We offer photography services for the following:

- + product shoots for a print catalog or website
- + company tour shoots for the web
- + staff headshots
- + real estate
- + event photography
- + building shoots

RADIO ADS

We offer full radio advertisement production services as well as professional voice over.

TALENT: ACTORS & MODELS

We can obtain for your project any needed models, actors or voice talent. We keep a large index of local talent working independently or with agencies, and we can manage the selection process on your behalf.
